Dreamcreatures is a worldwide community of artists and designers who create digital art, games, and design services for the web. With over 10,000 members, Dreamcreatures is a perfect place for people who want to make cool stuff. We are an online community of digital artists and designers who share their talents and create worlds. Established in 2003, Dreamcreatures has grown into the largest digital art community. What is Dreamcreatures? Feedback, Ideas, Comments? I'm sorry. (this is the common PC!-message when you try to subscribe for the first time) In the future you will be able to register your account at the right place. Can I view your profile? You can view a list of your past and present contributions to Dreamcreatures, see your team, guild or clan page, search for topics and profile owners, view your memberships and set your user preferences. How do I edit the profile page and what can I do? If you want to add something new to your profile, the easiest way is to use the "edit profile" box available on the upper right corner of any page. The "profile editing" module will only be visible to you and it lets you edit your own profile. Can I use graphic tools to create my art?

---

Members of Dreamcreatures can access many free graphic tools like Photoshop, Illustrator, FreeHand, Aspose etc. There is a workshop section where you can find tutorials and video tutorials for these softwares. How much does it cost to join Dreamcreatures? What are the benefits of being part of Dreamcreatures? Dreamcreatures is about sharing art. It's about expressing yourself, about sharing, collaborating or just doing a review for someone's art. There is no cost, no membership fees and no subscription. You can ask to be friends on other people's pages, comment on posts and view pages. You
